

2008 RECOMMENDED IMMUNIZATION SCHEDULE Persons Aged 0-18 Years

ASK YOUR DOCTOR ABOUT THESE PREVENTIVE SERVICES

The following immunization schedule is based on the Recommended Childhood and Adolescent Immunization Schedule for 2008 approved by the Advisory Committee on Immunization Practices (ACIP), the American Academy of Pediatrics (AAP), and the American Academy of Family Physicians (AAFP). Your doctor may require additional immunizations to meet your child's individual health care needs.

Age ►	Birth	1 month	2 months	4 months	6 months	12 months	15 months	18 months	19-23 months	2-3 years	4-6 years	7-10 years	11-12 years	13-18 years
